

Greetings, Music Educators!

The Duluth Superior Symphony Orchestra is excited to bring you a wonderful opportunity that will enrich your students' music education with a live performance experience! We are able to bring this program back after a year off because of the generous support of the Depot Foundation! *(Please note the change in venue for this performance)*

The Duluth Superior Symphony Orchestra presents a Young People's Concert:

PETER AND THE WOLF by Sergei Prokofiev

**Thursday, April 16, 2020
and Friday, April 17, 2020
Duluth Playhouse Family Stage
at The Depot**

The program is approximately 40 minutes in length and will include narration and some additional words from Music Director, Dirk Meyer.

Peter and the Wolf features the full orchestra and highlights specific instruments from each family to represent each character in the story, making it an ideal music learning experience for elementary aged students.

Included with the ticket purchase is online access to curriculum about the composer, orchestra, and music as well as a handy "Concert Etiquette Guide" to prepare your students for this one-of-a-kind experience.

Attached you will find a registration form. Tickets are \$2 per student, cost for transportation will be the responsibility of the school but we will work with your bussing company to organize a drop off and pick up timeline. If you have questions, please contact Heidi Lord, Director of Artistic Operations at hlord@dssso.com.

Additional information about the Young People's Concert can be found at <https://dssso.com/community-education/young-peoples-concert/>

Thank you,

Heidi Lord, Director of Artistic Operations
